

National Finance Center CAPPS Notification

Production Verification (PPS ONLY) - 2023 Annual Pay Raise Project 50038

January 9, 2023

Reference Number: NFC-1672258571

Dear Customer:

This notice is to inform all Payroll/Personnel System (PPS) customers that the National Finance Center (NFC) has completed production PINE Pass 01 for Pay Period (PP) 01, 2023. A separate notification will be sent to EmpowHR customers upon completion of EmpowHR imports. Barring any unforeseen processing issues, we expect to have the EmpowHR application up and running for Agency verification on Tuesday, January 10, 2023.

The two Web page links are as follows:

- 1) [2023 Annual Pay Raise Agency Status Report](#)
- 2) [2023 Annual Pay Raise Activities TIMELINE](#)

Agency production verification can begin now for PPS customers only and should be completed no later than noon (12:00 p.m.) central time on Wednesday, January 11, 2023.

In addition, it is especially critical for Agencies to review error reports and correct the NFC auto-generated pay adjustment actions that are in suspense. Failure to correct actions that fall into suspense, for any reason, will prevent the employee from receiving their PP01/2023 pay adjustment. If an Agency deletes an NFC auto-generated pay adjustment action from suspense, the Agency will have to manually generate a replacement action.

The 2023 Annual Pay Raise Agency Status Report should be used to provide NFC with positive and negative feedback following completion of your production verification. **All Agency Status Reports should be returned to NFC no later than noon (12:00 p.m.) central standard time on Wednesday, January 11, 2023.**

Please be reminded that NFC will execute the production PINE Pass 02 job the evening of Wednesday, January 11, 2023.

Also, the **production PAYE Pass 01** job will be executed the evening of Thursday, January 19, 2023. The **production PAYE Pass 02** will be executed the evening of Friday, January 20, 2023.
